

Slim storage companion

Canvio Slim

Store data securely on the Canvio Slim external hard drives. Its elegant slim and lightweight design makes it a perfect travel companion. Transfer your files via SuperSpeed USB 3.0 and keep them safe using a password lock. The pre-loaded NTI® Backup Now EZ™ software allows easy automated backups. You can also use the Canvio Slim on PC and Mac thanks to Tuxera HTFS for Mac driver (included).

Perfect travel companion

With a super slim design that looks good and is light enough to carry anywhere, you will want to store and share your data securely wherever you go.

SuperSpeed USB 3.0 for faster transfers

Powered by USB 3.0 technology, the Canvio Slim is far faster than – but still compatible with – USB 2.0 technology.

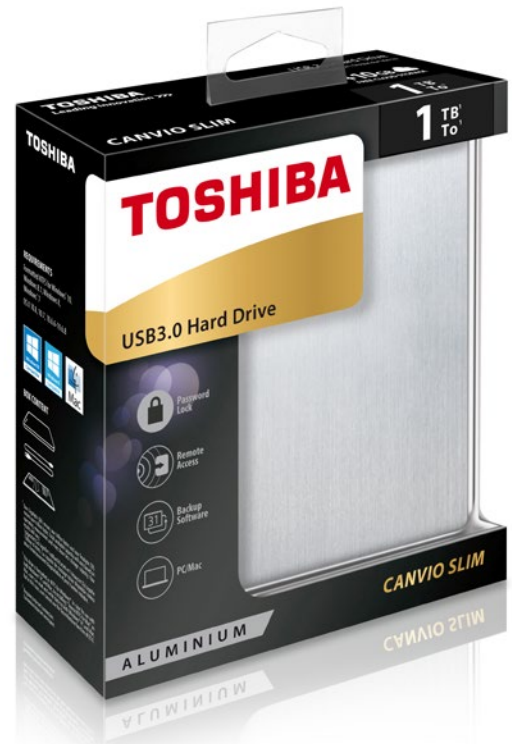

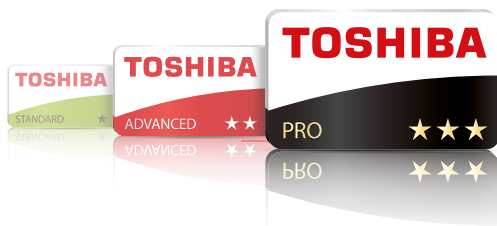

Safely locked away

Lock your Canvio Slim with a password that's unique to you - and prevent unauthorised users from accessing important data stored on your hard drive.

Top features:

- SuperSpeed USB 3.0
- Backup software onboard
- Password lock
- Super slim and lightweight design
