

## Canvio Slim for Mac

Mac® ready, slim storage to go.

Store data securely on the Canvio Slim For Mac external hard drives. Its elegant slim and lightweight design makes it a perfect companion for your Mac®. Compatible with Apple® Time Machine®, you can back-up your data easily. Transfer your files via SuperSpeed USB 3.0 and keep them safe using a password lock.

**Extra slim, extra portable**

With a super slim design that looks good and is light enough to carry anywhere, you will want to store and share your data securely wherever you go.

**Compatible with Apple® Time Machine®**

Your portable hard drive works with Apple® Time Machine®, making it easier to back-up all the data on your Mac® at home or when you're out and about.

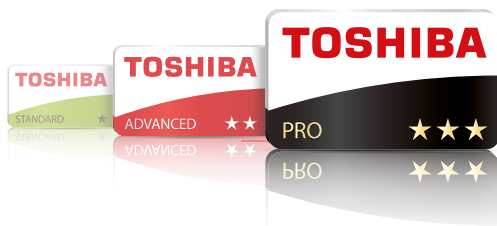

**Safely locked away**

Lock your Canvio Slim with a password that's unique to you - and prevent unauthorised users from accessing important data stored on your hard drive.
